President's report:

The double-wide is up, but still needs a few items need to be completed. Hopefully, it will be ready for activities by Christmas. The ground breaking for the Lake Los Angeles Community Center is tentative for January.

Lake LA Park Association is signed up for Toys for Tots. We are listed as Lake LA Park Association Toys Give Away. Dominic Fohrenkam's number is contact source with Toys for Tots. For any child participating their age must be from birth to 17 years.

The Toy Give Away will be at Sorensen Park Dec 12 from 12 to 5. At 6 the Tree Lighting Ceremony will be with Chamber. The Light Parade begins after the Tree Lighting. The County of Los Angeles Bicycle Plan is being considered for review. The park employees have forms the residents can fill out to give suggestions to the Bike Plan. Robin Nute recommended the County follow the trail plan that is already in place with LA County.

The Halloween Trunk or Treat was great and we had about 200 children for cookies, haunted house, and hot chocolate. More residents' participation is welcome. It may seem like a lot to do, but once you start to decorate your car, it is a lot of fun. Robin Nute and Mary Hanna shared how they have added a few items each year. The double wide should be a great haunted house next year, so more people with decorated cars and trucks would be great for the kids.

In July we invited Town Council and Chamber of Commerce to Hot Dogs and a Pot Luck. Those who came had a good time. We will have our next Hot Dog Pot Luck on July 10, 2010.

Old Business: The life time access with one of the on-line public records database for background checks for eligibility for park association candidate turns out to still have a charge for each use. Instead, other sources will be researched.

New Business: The Pancake Breakfast has been postponed until the double-wide is completed. Latisha Smith is working with the seniors in setting up Senior programs.
